Wrinkles Around the Eyes

Are usually caused by defective
sight. Many women, and
likewise men, look prematurely
old from these wrinkles. The
wrinkles in many cases can be
removed by wearing correctly
fitted glasses. To fit glasses cor-
rectly demands a thorough knowl-
edge of refraction and the neces-
sary instruments. We have
both: hundreds of satisfied cus-
tomers will say so.

the Baptist church tomorrow. Rev.
Mr. Alderman will preach in Concord.
No service at the M. P. church. Usual
services at the other churches.

Claude Barbee, of the First reg-
iment is about the luckiest one of our
boys so far. He has succeeded in get-
ting his furlough extended 30 days
longer, which at the end of this time,
will make ninety days. Gordon H.
Gilley, regimental correspondent of
the First N. C., states in today's Char-
lotte Observer, that the regiment will
doubtless leave for Cuba next week.

Messrs. J. E. and Fred Jones re-
ceived a telegram this morning stating
that their father, Mr. M. B. Jones, of
Winston, died this morning. The de-
ceased has been very ill for several
days with pneumonia. The Messrs.
Jones went up this morning to attend
the funeral. We extend our heartfelt
sympathy to the bereaved members of
the family.

The High Point Enterprise, one of
the best local weeklies in the state,

In fact they have doubled their sub-
scription list in the last thirteen
months.

Mr. Denny is now making arrange-
ments to move his family into the
brick house, south of the Russell
property. Mr. Esheleman will move
into the postoffice building when Mr.
Denny moves out.

EGYPT AND THE NILE.

President Alderman to Lecture Next
Friday Night in this City.

For five thousand years Egypt and
the region of the Nile has claimed the
attention of the world. Half this time
Egypt was a great world power, and
the center of civilization was in the
long, narrow valley made fertile by
the waters of the Nile.

When our own ancestors were wan-
dering barbarians on the steppes and
in the forests of Asia and north Eu-
rope, long before the founding of
Athens or Rome, the pyra-
mids, temples, tombs, and sphinxes
of Egypt were the wonders of the
world. They have challenged alike
the admiration of Abraham, Pytha-
goras, Anthony, Napoleon, and the mod-
ern archeologist.

No spot on earth is better known to
the modern reader, yet none is more
strange and fascinating. Its cloud-
less skies, its limitless horizon, its
eternal ruins, its ancient glory, its
busy life of today, make it the theme
of the scientist, the artist, the novelist
and the historian; while its political
interest is scarcely less today than at
any time past.

The people of Greensboro are fortu-
nate in having the opportunity of
hearing from one of the most polished
of speakers, a description of this coun-
try as it is today. Last winter Presi-
dent Alderman, of the University of
North Carolina, while visiting the
countries along the Mediterranean,
spent several weeks in Egypt, and has
prepared a lecture on this part of his
travels. No one in North Carolina
needs to be told that this lecture will
add to the interest in the subject itself
the charms of pure English, unsur-
passed description and happy delivery;
and no one of President Alderman's
hundreds of friends and admirers in
Greensboro will willingly fail to hear it.

The lecture will be given in the court
house Friday evening, December 9.
The proceeds will go to the funds of
the Greensboro Library Association.
Admission, 25 cents.

Will Organize Tonight.

It is especially important that every
one who wishes to become a member
of the Choral Union, shall be present
tonight at 7:30 at the Brockmann hall.
If you are a beginner, some points may
be gone over tonight that you can't af-
ford to miss. At any rate, if you are
to be a member you should be there to
have a voice in deciding the details to
suit your convenience and needs. So
let every one who intends joining, come
tonight, no matter what stands in the
way. The organization will be com-
pleted tonight regardless of bad weath-
er.

molding, the great-granddaughter of
old Commodore Vanderbilt, has been

ing commission at White Plains and

HE SPEAKS OF HIS TRIALS.

President Kilgo Applauded By
the Conference.

THE PUBLISHING HOUSE CLAIM.

Report of the Committee Adopted—
Charges Against A Preacher—
The Paper Commission.

From the report of the third day's
proceedings of conference at Elizabeth
City, published in this morning's Rail-
road Post, we make the following ex-
tracts:

The committee on the paper question
were elected as follows: J. N. Cole,
J. E. Underwood, L. W. McMullan
and L. L. Smith. Telegrams from
Mrs. Crawford and Weaver were read,
saying they could not come.

The call of question twenty was re-
sumed and the following passed exam-
ination of character and made reports:
J. B. Thompson, N. E. Coltraine, J.
H. Shore, W. J. Twilley, R. H.
Broome, R. F. Taylor, Thomas J.
Gatis and John C. Kilgo, the latter
speaking at some length of the trials
of the year, and said he came out of
the storm without malice in his heart
against any one. He announced that
he was ready to serve the church he
loved in any capacity, and if further
conflicts were ahead he was ready to
lay all his strength upon the altar,
and die if need be, for the interests of
the Master's kingdom. There were not
many dry eyes in the conference when
he took his seat, and there was a
spontaneous outburst of applause.

Under call of question twenty, which
was resumed, Presiding Elder Hall of
the Washington District, announced
that there were charges against Rev.
R. J. Moorman, of Rocky Mount, and
a committee of investigation was ap-
pointed by the bishop, consisting of
Revs. R. B. John, George F. Smith
and W. J. Twilley.

The hour of 11 o'clock arrived and
the publishing house claim committee
reported through L. L. Smith, Esq.,
It condemned the deception of Stahl-
and the lack of candor on the part of
agents Barbee and Smith, and pro-
posed refunding the claim to the gov-
ernment if the senate would say the
bill would not have passed that body
but for the deception practiced.

Rev. John N. Cole offered a substi-
tute, asking the college of bishops to
take steps for the unconditional and
prompt return of the money to the
government.

The substitute was supported by Dr.
Yates in a fine speech, but was lost.
Revs. John and Norman spoke in fa-
vor of a committee's report. So did
L. L. Smith, and the same was adopt-
ed.

A class of five young preachers were
elected to elder's orders, and eight lo-
cal preachers were elected deacons.

The following were received into full
membership in the conference: Bryan
Thomas, Albert Barnes, Robert Wil-
lis and Andrew Graves.

The conference took up the question
of place for the next conference just
before adjournment, and four nomi-
nations were made, viz: Washington,
Wilmington, Newbern and Rocky
Mount. The contest was somewhat
spirited and Washington was chosen.

The session adjourned at the regular
hour. Tonight Dr. Kilgo made a
great address on education at the Meth-
odist church, and Dr. Bays preached
a fine sermon at the Baptist church.

"I want to get a pair of heavy tan
shoes just like you sold Mr. A and
Mr. B." That's the kind of talk we
hear almost any day, and that's the
way every pair we sell of these popu-
lar shoes brings in more customers for
them. Yesterday we had a very care-
ful customer, one who looks pretty
closely after the dollars. We showed
him through our line of shoes, but he
concluded to look around before buy-
ing—looked the town over, came back
and bought of us. That's pretty good
recommendation for our shoes isn't it?
Just now we have some very special
values in men's heavy tan and black
box calf and vicid kid shoes at \$2.25,
\$2.50 and \$3.00. If you are going to
buy a pair of shoes soon, you ought
to see these. Thacker & Brookmann.

Precaution Against Carlists.

By Cable to THE TELEGRAM.
Madrid, Dec. 3.—Additional precau-
tions have been taken by the govern-
ment against the Carlists in the prov-
inces, notably Saragossa and Biscay.

ANOTHER DISPATCH.

Madrid, Dec. 3.—Fresh precau-
tions have been taken by the Spanish gov-
ernment in several provinces, especial-
ly Saragossa and Vizcaya, with a view
to the possibility of a Carlist uprising.

THE PRESIDENT'S MESSAGE.

Is About Complete—Lacks Only a
Few Touches.

Special to THE TELEGRAM.

Washington, Dec. 3.—At the white
house it is stated that the arrange-
ments for the sending out of the Presi-
dent's message are about completed.
The large force of clerks are busily
engaged in preparing the advance
copies which will be furnished to the
representatives of the great news gath-
ering associations of the country.

As is usually the case the precau-
tions taken to prevent any portion of
the message from getting in print be-
fore the actual reading of the message
begins in the two houses of congress,
are strict, and iron-clad agreement
are entered into by the representatives
of the associations. The message will
be given to those entitled Sunday
night by Private Secretary Porter,
who always attends to this important
duty for the president. The advance
copies have to be returned to the white
house early on Monday morning.

The message will be taken to the
capitol Monday or Tuesday, as the
case may be, by Mr. Pruden, who is
one of the oldest officials at the white
house, and who for years has had the
honor of transmitting the annual
messages between the president and
congress. Although the message is
practically completed, with the excep-
tion of a few finishing touches, it is
not impossible that between this time,
and the hour of transmission to con-
gress many changes may be made.

Col. Brown, of the Southern Rail-
way, was at the white house yesterday
to see the president about the ar-
rangements for his coming southern
trip. In addition to Atlanta it is pre-
tly well settled that the president's it-
inerary will include short visits to Tusca-
loosa and Montgomery, Ala., Charles-
ton, South Carolina, and perhaps one
or two other stops. It is not thought
now that he will be able to go to Sa-
vannah.

Senator Daniel, of Virginia, who
has been in the city for the past week
attending the sessions of the Indus-
trial Labor Commission, has gone to
Lynchburg for a short visit, to make
arrangements, it is said, about the re-
moval of his family to Washington for
the coming winter. The senator will
return to Washington in time for the
session which convenes Monday.

Members of congress are beginning
to arrive in Washington in larger
numbers than they have for several
years past, although the arrivals so
far have been slower than is usually
the case. At the white house yester-
day were several senators and repre-
sentatives, notwithstanding the fact
that it was cabinet day. The members
of the Virginia and North Carolina
delegations are slow in reaching the
city. Several are expected in tomor-
row.

Post office has been established at
Perkinsville, Burke county, North
Carolina.

Among North Carolina people in
Washington are J. E. Burbron,
Spruce Pine; E. A. Smith, Charlotte.

THREE DIFFICULT ARRESTS.

A Free Fight in Coble's Bar this
Afternoon.

Three of the most exciting arrests
Greensboro has had for some time
were made this afternoon about 2:30
o'clock.

A crowd of drunken men, and one
of whom was a soldier, got into a
quarrel at C. H. Coble's bar, beyond
the railroad and a free fight ensued.
The bartender threw one of the men
into the street, but the second was
more than his match. He was fighting
everything in sight and flooring ev-
erybody and everything he hit.

Officer Jeffries ran into the bar and
arrested the soldier and one other man
but they offered such resistance that
he had to call four deputies before he
could proceed to the lockup with them.
The men fought all the
way up the street and were
followed by a large number of the cu-
rious. A drunken friend tried to inter-
fere on the way to the jail and he also
was arrested by Officers Jeffries and
Scott, as soon as soon as the others
were locked up. The three offenders
were tried in the mayor's court this
afternoon, too late for us to learn the
result.

Great Removal Shoe Sale.

Have you seen the wonderful bar-
gains being offered in shoes at the
great removal sale now in progress at
the Carolina Shoe Co.? If you have
not, you should not fail to visit the
great shoe sale next week—many lines
are being sold at less than half price.
Mr. Norris the hustling manager,
says all lines which they do not intend
to carry in their new store, must be
sold regardless of cost, before they
move. Now is the time to buy your
winter shoes. Carolina Shoe Co.

GERMANY WANTS TO BUY.

Negotiations For The Purchase of
Caroline Islands.

WAS NO JOINT SESSION TODAY

The Report Looked Upon as Explain-
ing Reluctance of Spain to An-
swer on That Question.

By Cable to THE TELEGRAM.

Paris, Dec. 3.—There was no session
of the joint peace commission today.
The Americans, however, had a three
hours' meeting this morning. A re-
port comes from Berlin that Germany
is negotiating for the purchase of the
Caroline Islands. This report is con-
firmed from several quarters, although
Count Von Munster Ledenberg, the
German ambassador here, informed a
correspondent that he knows nothing
about the matter.

The American commissioners are
inclined to believe the report and it is
looked upon as explaining the reluct-
ance of the Spaniards to give the
Americans an answer in regard to the
Caroline Islands as well as the question of
religious liberty there.

The latest developments confirm the
report that the Spaniards have been
instructed not to yield these points
until they have made a good bargain.

ROBERT MACKIE GUILTY.

The Dominion Bank Robbery Case
at Napanee.

By Wire to THE TELEGRAM.

Tapanee, Ont., Dec. 3.—After being
locked up all night the jury in the Do-
minion bank robbery case, came into
court this morning and rendered a
verdict of guilty against Robert Mackie.
The jury were unable to agree as
to the guilt of Toller Ponton, standing
ten for acquittal to two for conviction.
They again retired to the jury room to
try and reach an agreement.

Fined and Imprisoned.

By Wire to THE TELEGRAM.

Pittsburg, Dec. 3.—Ex-assistant city
attorney House, was on trial today
charged with aiding and abetting Ma-
jor Moreland, the former city attorney
in embezzling the sum of twenty-five
thousand dollars of the city funds. He
was found guilty and the judgment of
the court is a fine of one thousand dol-
lars and imprisonment for eighteen
months.

ptroller of currency made a call today

ting on the case of gambling, charged

cause of violation of the game laws.

More Gold Coming.

By Cable to THE TELEGRAM.

London, Dec. 3.—Thirty-two cases
of gold was shipped today for New
York by the steamship Umbria.

The Colored Regiment.

There is a rumor here that the Third
regiment (colored) is soon to be mus-
tered out. An officer of the regular
army, who arrived here yesterday,
said last night that the muster-out was
to take place. Today Capt. Todd,
muster-out officer, who is yet here, was
asked about the matter and gave in
reply what may be termed a diplomati-
c answer.—Col. Olds' correspondence.

Not For Several Years.

By Cable to THE TELEGRAM.

Col. Olds' Raleigh correspondence
in the Charlotte Observer says:
The Federal prisoners in the peni-
tentiary here will not be sent to At-
lanta. Jas. E. Boyd so writes and
says it will be several years before the
new Federal prison at Atlanta is
built. Not until then will prisoners
be put there.

ROBBERY AND MURDER.

In The Principal Hotel of Duryea,
Pennsylvania.

By Wire to THE TELEGRAM.

Scranton, Pa., Dec. 3.—Ex-postmas-
ter Corcoran, of Duryea, was killed
this morning by robbers. The prop-
rietor of the principal hotel in
Duryea took in a large amount of
money yesterday, the miners having
been paid off. This money was placed
in the hotel safe.

At an early hour this morning
thieves entered the hotel, seized, bound
and gagged a servant girl. Mr. Cor-
coran was awakened by the struggles
and ran to the assistance of the girl
when the robbers shot him through
the heart. Then they blew open the
safe and secured the money, making
their escape.

To Indict Wilmington Citizens.

Washington, Dec. 2.—The Attorney
General of the United States has writ-
ten a letter directing United States
District Attorney Bernard, of North
Carolina, to at once proceed to indict
the men who drove United States Com-
missioner Bunting from Wilmington.
Bunting, together with ex-Chief of Po-
lice Melton and a man named Gill,
from Wilmington, are now in Wash-
ington. The plan is that if bills of in-
dictment can be secured, Judge Pur-
nell shall issue bench warrants and
have the men taken to Raleigh imme-
diately for trial at the term of United
States District Court, which begins
next Monday. It is the purpose to
make the proceedings the same as in
the Tolbert case in South Carolina
and to have Bunting, Melton and Gill
at Raleigh as witnesses.—Special to
Charlotte Observer.

SATURDAY, DEC. 3, 1898.

It is suggested that a bill will be introduced in our next legislature proposing a constitutional amendment providing for a division of the school funds, by applying the school taxes of the blacks to their schools and of the whites to theirs. Such a proposition would no doubt be favorably received by a large majority of the white people of the state, who are tired paying taxes to educate negro children.—Chatham Record.

The palpable ingratitude of the average colored citizen, and the insulting demeanor of the average negro youth when he begins to learn to read and write, toward the whites, who pay the taxes to educate him, has done much to bring about the feeling expressed in the above paragraph. Educating a race, only to have many of its representatives turn on you, curse and abuse you, and vote solidly against your interests, is a mighty poor business. If such charity was thankfully received it would put altogether a different phase upon it.

By reason of clerical errors by the returning boards, Judge George H. Brown, Jr., is deprived of about 30,000 votes, which, if allowed to stand, elects his opponent, Augustus M. Moore. There are errors in the returns for other candidates, but none that change the result. As in the case of Judge Brown, W. P. Bynum lost some votes because of the omission of the word "Jr." Guilford is put down as one of the counties which cast its vote for George H. Brown, instead of George H. Brown, Jr. The secretary of state will issue the certificate of election to Augustus M. Moore, but it is said Governor Russell will override this technicality and commission Judge Brown. Justice and right demand that these errors be corrected, where the votes were properly cast.

Attorney General Griggs Coming.

Attorney General Griggs and a small party of friends will probably spend the first three days of next week in North Carolina, the guests of one of Guilford county's well-to-do farmers. The prospective host received a letter from assistant Jas. E. Boyd, stating that Attorney General Griggs could probably spare a few days next week; and if so, would spend the time here, hunting. The gentleman, of course wrote, urging the party to come and guaranteeing them a good time, and plenty of game to shoot.

For Colored Children

Communicated.

Why not help the day laboring mothers and their children? While principal of one of the city schools of Greensboro, it was my observation, that a large number of the youths who should be in attendance upon the city schools, were absent. In seeking the cause for such apparent neglect I was surprised to discover that more or less, all were compelled to assist their mothers in caring for and nursing the little ones of the family, not of school age. This was necessary from the impoverished condition of the homes and the lack of means to spare those who were sufficiently large enough to attend the schools.

The mothers on the other hand were forced to leave home all day, striving through their efforts to keep the little life which was struggling for existence. This state of affairs exposed the youths to all manner of dangers which are necessarily imminent from leaving alone these youths to contend with difficulties, being left by themselves and without sufficient judgment, many even fall in the fire and are burned to death; others leave the house, and with their companions, probably older and worse than themselves, stray around the streets, thus falling into all the vices which are common to a street life. Should not these mothers be helped in some way to provide for their children who are left alone so that those youths, who are compelled to nurse the smaller ones may be sent to school there and by facilitating the means to provide for the support of their homes.

The evil, I think may be obviated, by opening a Day Nursery, to which these mothers, who are possessed of a company of children, may bring these helpless babies, where they may be kept, for them, without fear of loss of life to them; and where the home influence of the Nursery will make them better.

We shall open a Day Nursery, and we appeal to all mothers who are inconvenienced by being compelled to leave their children at home, to bring them to our Nursery where the best motherly and Christian care will be given them by a loving Christian mother.

1. Hours for admittance 6 a. m. to 8 a. m. Fee—five cents a day for every child left.
2. Hours for closing, 6 p. m. to 8 p. m. All mothers leaving therein, must come and take them before the Nursery closes. For information, call at the office of Loyal G. Graham Hospital, High street, Greensboro, N. C. S. S. Sevier.

Late to bed and early to rise, prepares a man for his home in the skies. But early to bed and a Little Early Riser, the pill that makes life longer and better and wiser. Howard Gardner.

Two Pointed Questions Answered.

What is the use of making a better
article than your competitor if you can
not get a better price for it?

Ans.—As there is no difference in
the price the public will buy only the
better, so that while our profits may
be smaller on a single sale they will
be much greater in the aggregate.

How can you get the public to know
your make is the best?

If both articles are brought promi-
nently before the public both are cer-
tain to be tried and the public will
very quickly pass judgment on them
and use only the better one.

This explains the large sale on

people have been using it for years

able, and for coughs, colds and croup
there is nothing equal to Chamber-

Durham, Dec. 3.—At commencement
next June, the Baccalaureate sermon
will be preached by Bishop W. W.
Duncan, of Spartanburg, S. C., and

the most forceful speakers in the south-

A Current Topics club has recently
been organized among the students.
It meets every other Saturday even-

He is able to be out part of the time
and he proposes to resume his work
soon.

The park is now the scene of great
activity. Large forces of hands are
at work on the memorial hall and the
gymnasium. The landscape gardener
in charge of the campus, is also mak-
ing great improvements. The new
dormitory for Trinity Park High
School, has just been completed and is
now occupied.

Bishop O. P. Fitzgerald visited the
college the first of the week and made
a talk to the students. He spoke in a
very happy manner, and greatly
pleased an interested. This was the
Bishop's first visit to Trinity and he
was much impressed by the growth
and progress of the institution.

Dr. W. P. Few will lecture at Guil-

How to Look Good.

Good looks are really more than
skin deep, depending entirely on a
healthy condition of the vital organs.
If the liver is inactive, you have a
bilious look; if your stomach is dis-
ordered you have a dyspeptic look;
if your kidneys are affected you have
a pinched look. Secure good health
and you will surely have good looks.
"Electric Bitters" is a good alterative
and tonic. Acts directly on the stom-
ach, liver and kidneys, purifies the
blood, cures pimples, blotches and
boils, and gives a good complexion.
Every bottle guaranteed. Sold at C.
E. Holton's drug store. 50 cents per

The Minstrels Last Night.

One of the largest audiences that has attended a performance at the Academy this season attended the big minstrel festival last night. The entire gallery was filled with colored people. The show, had one or two "achy" parts been omitted, would have been exceptionally good throughout. "Bilby" Kersands and Jas. Crosby, the two great colored comedians, were "great." The company does not advertise Dan Avery very much, but Dan will have a reputation some day. His specialties last night were about the best given. Rusco & Holland's-Richards & Pringle have a strong company and their audiences are well pleased. The troupe left this morning for Raleigh, where they show tonight.

The Social Standing

of most men is much higher than the sum of their income. To such men it must be good news to learn that they do not have to pinch themselves in order that they may pay the extravagant tailor's bills. We sell perfectly fitting clothes for business, semi-dress or full dress occasions of unquestionable style and superb qualities at prices which permit the saving of almost half tailor's bills. Our best clothes are made by the famous New York tailors, Messrs. Fecheimer, Fishel & Co., whose label on every garment is a guarantee that the clothes are equal to "custom made" in every particular. Therefore, whether it is a sack suit, a cutaway or a Prince Albert frock, a pair of trousers, a top coat or an overcoat that you need, do yourself the justice to at least see our offerings—and then go to your tailor if you like—but you won't.
